

# Records Security System: Automated Door Lock Using Image Processing and RFID

## 1. User Enrollment Form

The screenshot shows a web application window titled "UserEnrollmentForm". The interface has a green background. At the top right, it says "Camera". The form contains four input fields: "First Name", "Middle Name", "Designation", and "Last Name". Below these fields are five buttons: "ADD", "SAVE", "EDIT", "DELETE", and "CANCEL". A search bar labeled "Search personnel" is positioned above a table with the following columns: "ID", "First name", "Middle name", "Last name", and "Designation". The table is currently empty. At the bottom right, there are two buttons: "CAPTURE IMAGE" and "RELOAD CAMERA".
